A hand-drawn collage on a light-colored background. At the top center is a circular portrait of Jesus Christ with a halo. Below it is a white vertical rectangle containing a red outline of a cross with numbers 1, 2, 3, and 4 at its arms. To the left of the cross, the text "Des verbes qui" is written in blue. To the right, "signe" is written in blue. The collage features several colorful, torn-edge paper scraps with handwritten text: a blue scrap with "Ce qu'on", a green scrap with "souhaite mettre", a red scrap with "en valeur", a pink scrap with "dans l'histoire", and a green scrap with "du ou des". Other scraps include "témoin", "découverts.", "de", and "résurrection". The word "espérance" is written vertically in blue on the right side.
